Executive branch is great - very challenging and very hectic. As to inauguration events - we went to the prayer breakfast (@ Operation Shoestring where I serve on the board, so we had to go to that @ 8:00 in the morning), the Humanities' Council lecture and then the ball that evening - loads of fun!!!!

I'm a Policy Liaison, with emphasis in education, so I'm trying to absorb as much as possible as fast as possible - whoa!!!

Hope your job is going well! Have a great week!!!
